## **Health Guarantee**

To ensure that you have the best possible experience, we at Woodland Puppies offer a 30 day Health Guarantee for your new pet. We, the Breeder, guarantee that upon purchase, the puppy is in good health and has been immunized and dewormed according to its accompanying health record. The puppy will be vet checked and have a health certificate. We do encourage you to take your puppy to a veterinarian (at your cost) within 30 days after you have received your puppy. If for some reason it is found to have a major health problem as diagnosed by a licensed veterinarian (DVM) we ask that Woodland Puppies be notified immediately as we do have a replacement policy. However, any minor conditions that are easily correctable and will go away are not covered by our replacement policy. We will reimburse you for the cost of medication/procedure only if the puppy was taken to a veterinarian within 30 days of purchase. Woodland Puppies reserves the full right to assess the situation, as any misuse on the customer's part will not be covered. Woodland Puppies will ensure proper care is given to your puppy up to \$500.00, anything beyond will be the customer's responsibility.

## **1 Year Genetic Health Warranty**

#1.-exchange your puppy for one of equal value, or

#2.-reimburse vet costs but not exceeding the original price of the puppy.

There are however, no warranties against common sickness or accidents incurred on your part after the puppy is in your possession. All regular health care maintenance and immunization are the buyer's responsibility as described below.
